

Regulation (EC) No 1907/2006 Registration, Evaluation, Authorisation and restriction of Chemicals – REACH

Astute Electronics Ltd., are a supplier of products which are not intended to release any substances under normal or foreseeable conditions of use (as defined by REACH).

As a distributor Astute Electronics Ltd., are not controlling the manufacturing process of the products and request the manufacturers make the environmental statements relating to their products available on their websites.

If we are provided with any updated information by the manufacturers relating to REACH, we will communicate this to our customers.

For any additional information relating to REACH please contact Astute sales@astute.co.uk
